

Drive2Earn Wallet

The core of Tokify's Ecosystem: it enables drivers to earn digital shares for every kilometer driven, fostering loyalty and active engagement.

Key Features

Effort-to-Value Conversion

Automatically converts kilometers driven into valuable digital tokens.

Transparent Rewards

Ensures clarity in earning and distribution with no hidden fees or commissions.

Blockchain Secured

All rewards are securely recorded and verified using blockchain technology, ensuring transparency and tamper-proof data.

Eco-Incentives

Encourages sustainable driving by linking rewards to fuel efficiency and eco-friendly practices.

How It Works

GPS Integration

The wallet integrates with Tokify's GPS system to track kilometers accurately.

Proof of Kilometers (KM)

Each verified kilometer is converted into digital tokens through Tokify's proprietary Proof of KM system.

Automated Token Allocation

Tokens are distributed instantly to the wallet based on verified distances, eliminating delays or manual errors.

Benefits for Drivers

Ownership and Participation: Drivers gain a stake in Tokify's success by accumulating tokens, which reflect their contributions.

Additional Earnings: Turn every trip into an opportunity for financial growth, beyond traditional earnings.

Sustainability Rewards: Earn extra tokens for adopting eco-friendly driving practices.

Getting Started

Download the Tokify App

Available on iOS and Android.

Register and Verify

Complete your profile and provide necessary driving documentation.

Start Driving

Begin earning tokens immediately for every kilometer driven.

Track Your Earnings

Use the wallet interface to view your accumulated tokens, transaction history, and rewards.

Use of Tokens

Redeem tokens for monetary value.

Exchange tokens for exclusive perks, including discounts on vehicle maintenance and upgrades.

Contribute to Tokify's growth by holding tokens for long-term value appreciation.

Security

The wallet is secured with advanced encryption and blockchain technology.

Two-factor authentication (2FA) ensures safe access to your funds.

For any assistance, drivers can contact Tokify's support team via the app or website.

Drive today, [invest in tomorrow.](#)
